This is a list of some outdoor 3D shoots held by our member clubs and is being provided in hopes that NBA members will get involved in these clubs. The NBA is not planning or coordinating any of these shoots, so we encourage you to contact each club and/or visit their website and social media pages for updated information, changes, and/or cancellations. We apologize for any incorrect information. A list of the current member clubs with their contact info is on page 46. More detailed 3D shoot information is on our website at www.nebraskabowhunters.com/MemberClubs or by scanning this QR Code with your phone's camera. Please email newsletter.nba@gmail.com by June 5th to update or add info for the July newsletter.
